

Hello to you all.

My name is Angie Garland and I will be Managing the New Breakfast and After School Club opening in September. The Club is named The Orchard which fits in with the school's classroom names.

I am really looking forward to meeting and working with you and your children.

I have been Manager of a voluntary committee run club - Playzone .based at Aldermaston Primary School since we opened 21 years ago. With the support from The Committee, my fantastic team and excellent feedback from parents and children we managed to be rewarded with an Outstanding grading from Ofsted at our last inspection.

I have also worked for over 30 years in the classroom progressing to Higher Level Teaching Assistant 11years ago.

I have been married to Bob for 44 years have 3 grown up children and 6 grandchildren. I am getting on a bit now but I still have lots of energy and enthusiasm and a big kid at heart.

I want your children to feel happy, safe and loved whilst in our care. I want you to feel confident that you have left those most precious to you with people you trust and who are friendly and approachable.

The Orchard has been set up by the school so differs from a voluntary club as far as I won't have as many admin tasks!!! Which is great because I can have more time to spend with the children, develop their learning through play and build up positive relationships with them and my new team.

The Orchard is yours and the children's club. All suggestions on how to improve and what activities you would like to see on the activity plan are very welcome.

I can be contacted at [theorchard@bradfieldceprimary.co.uk](mailto:theorchard@bradfieldceprimary.co.uk)

Please bear with me as I find my way with parent mail as this system is new to me.

Please pop in and say hello. Even if you don't need childcare at the moment. It would be great to get to know you all as I will also be working in the classroom for a few hours.

See you all very soon!!!!!!

Very best wishes

Angie
