Home Learning Challenges

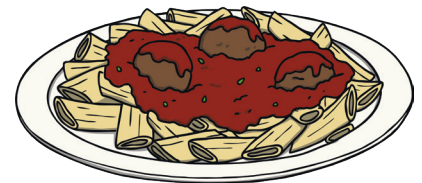

Make a collage of a scarecrow. You could use old fabric, paper or packaging that you no longer need.

Help a grown-up to write a shopping list.

Draw a picture of a type of food that grows on a tree, a type of food that grows under the ground and a type of food that grows on top of the soil.

Draw a picture of your favourite meal and label it.

Find a recipe that uses flour. You could even try to make it with a grown-up and then tell us all about it!

Look at the packets and tins of food in your cupboards, with a grown up. Do you know what is inside each of them? See if you can find out about some of the ingredients together.
