Dear Parents/Carers,

I am often asked for a book list that is age appropriate and full of excellent reads, so with Christmas around the corner I thought I would write with some ideas for books that are appropriate for your child and are real page-turners, in case you are looking for some gift ideas! These books, although not an exhaustive list, offer some excellent titles that are full of ways to improve English skills and get children reading confidently. They are top-quality books by major authors and award-winners, which build fluency while promoting independent reading and reading for pleasure. The book lists have been compiled by Pie Corbett, who is an incredible storyteller and educator.

I hope you enjoy browsing these books, and I hope your children enjoy reading them!

Kind Regards

Melissa Whitaker
